

Lockport Soccer Club

What: Lockport Soccer Club Tryouts

When: Saturday, September 11th, and Saturday, September 18th

Where: Kenan Center outdoor fields

Who: Boys and Girls U8-U19

We will be conducting tryouts for the 2010-2011 season for all of our travel teams as follows:

- For boys and girls trying out for teams aged U8 - U13, sessions will be held on Saturday, September 11th and Saturday, September 18th from 10am-11am at the Kenan Center outdoor fields.
- For girls trying out for teams U14 - U19 and boys U14 - U18, sessions will be held on Saturday September 11th and Saturday September 18th from 9am - 10am at the Kenan Center outdoor fields.

All players have to attend at least one of the tryout sessions. We are encouraging all players to attend both if at all possible. **Note, in some cases, coaches may also schedule additional tryouts if they cannot make one of the sessions. This will be communicated either prior to the tryout for returning players, or at registration. You can still register on either day if that should happen.**

We will be using the same criteria as last year for age appropriate groupings. Players will try out for their current team. New players will try out for the team that is in their age group. If you should have any questions regarding tryouts, please contact John Sakowski @ 417-5673.

Your child's age on August 1st determines their age appropriate team. For example, if your child was age 12 on August 1st, they are U13, etc.
